NEX PUR BOX

Elaborate detailing, mitred, with fine shadow gaps and extreme variability – Nex Pur boxes can be combined in many different ways since they are available in 24 variations. The flaps, doors, drawers and combination boxes come in four heights and three widths. The range is rounded off with boxes featuring a media flap and cable slots in two widths and one height. Always 48 cm in depth, on gliding legs, corner legs or runners and flawlessly crafted.

Flexible planning. Two boxes lined up next to each other or standing alone.

NEX PUR BOX H 50.5 CM W 180 CM

With the media flap you have all the possibilities to integrate your TV and sound systems by means of cable routing.
Beautiful addition for all Nex Pur boxes – glass cover panels in white or black in three widths.

NEX PUR SHELF

This shelving unit features a fine and fascinating interplay of lines. Nine variations are available for you to combine in heights of 211.5 cm and depths of 36 cm. Either as a completely open shelving element, as shelves with doors and drawers or with a continuous door. Every shelving unit is delivered as a complete element, has its own floor panel and can also be placed individually.
